Help our youth and truth to know
In love and honesty to grow
And living just and true
Great lofty heights attain
To build a nation where peace and

SCHOOL ANTHEM

Through the green hills far away
In among the vales and dales
Where the cocoa grows so gay
Stand Yewa College walls

Happy tiding as the say,
A new born college in our land,
Such a place you'd wish to see,
Let the land with music ring.
Tell the story far and wide,
Spread the news from to town,
What our father yearned to have,
We've got now for ever more,
Up School.

SCHOOL PLEDGE

Good things don't just happen
You have to make them happen
Success is not by accident
Failure is not a sudden Disaster
I will act in such away that
I will be proud of myself
And other will be proud of me too
I came to school to learn
And I will learn
I will have a fruitful day.
